Sharia Structure

Murabaha: Under a Murabaha contract, based on a promise obtained from you upfront, Bank purchases the underlying assets and subsequently sells it to you at a sale price which is a combination of cost price plus profit amount calculated with reference to profit rate. The sale price is payable by you during the term of finance.

Key Terms And Conditions:

Finance	Facility amount provided by Dubai Islamic Bank PJSC ("the Bank") to allow the Bank's Customer(s) to increase the magnitude of their investment in Islamic Naya Pakistan Certificate (INPC).
Collateral	INPC issued by the State Bank of Pakistan on behalf of Government of Pakistan through the Customer's Roshan Digital Account (RDA) opened with Dubai Islamic Bank Pakistan Limited. ("DIBPL").
Finance to Value (FTV)	Ratio of Finance amount to the market value of Collateral against which Finance is provided. E.g. If assigned FTV is 75% for investment of USD 100,000, the Bank will provide Finance of USD 300,000 to the Customer.

Date: ____ / ____ / ____

Margin Call	The threshold at which the Bank deems the Credit Risk linked to Government of Pakistan to have increased to perilous levels. In such an event, the Bank may immediately accelerate all amounts due under the Finance and liquidate the investment unless the Customer chooses to make a cash payment or provide any other investment, acceptable to the Bank, within 5 business days of the Bank's notice of a Margin Call.
Secured Obligations	Investment for which Finance is availed will be held under lien with DIBPL until the Finance is fully settled. The Bank may dispose of the Investment in the event of failure to service Margin Call or repay Finance at maturity. Any outstanding amounts due under the Finance may be settled from your RDA held through DIBPL or any other account held by you at the Bank.
Notice Period	The Bank may amend the terms and conditions of INPC Finance subject to sixty (60) calendar days' notice except for notice related to Margin Calls which have to be satisfied in terms of the specific notice.
Other Payments	<p>SBLC fee of 0.5% p.a. on the Finance amount will be payable by you to DIBPL to create security over the Collateral.</p> <p>One-time Agent's Fee of AED 15 (excluding VAT) will be payable by you to Back Office FZ LLC for Murabaha transactions on DMCC Tradeflow (Islamic).</p>

Key Risks:

Credit Risk	INPC for which Finance is availed is backed by the Government of Pakistan. The investment could be subject to lower returns than indicated, delayed payment at maturity or in extreme cases default by the issuer resulting in erosion of your capital.
Collateral Risk	Underlying investment can be liquidated by the Bank, if the Finance remains outstanding at maturity or in the event of failure to service a Margin Call.
Liquidity Risk	You may not be able to sell your investment in the normal course of business or in the event of a Margin Call scenario, due to its illiquid nature and may have to fund your shortfall using other sources including Cash and Deposits.
Taxation Risk	The withholding tax, on investment in INPC for which Finance is availed, may change resulting in lower returns due to higher than expected taxation amount.
Repatriation Risk	INPC Finance availed by you has to be repaid at maturity even if the remittance of maturity proceeds is delayed by the State Bank of Pakistan.
Reputation Risk	If any dues on the availed Finance remains outstanding for more than sixty (60) days, you will be reported to the Central Bank and Al Etihad Credit Bureau (AECB), which could impact your creditworthiness assessment within the UAE.
Sharia Risk	INPC Finance is determined as Sharia compliant by the Bank's Internal Sharia Supervisory Committee (ISSC). You should also make your own independent assessment as to the Sharia compliance of the INPC Finance with all its applicable documentation and process and not call into question its Sharia compliance in any forum.

WARNINGS:

INPC Finance could result in partial or, in extreme cases, total loss of your own contribution for the investment in INPC underlying the Finance.

At maturity, you will have to make payment for all your obligations under Finance even if the proceeds from INPC investment are not received.

Failure to meet your payments obligations on time may negatively affect your credit rating, which will limit your ability to access financing in the future.
