

**WARNINGS:**

- 1) INPC Finance could result in partial or, in extreme cases, total loss of your own contribution for the investment in INPC underlying the Finance.
- 2) At maturity, you will have to make payment for all your obligations under Finance even if the proceeds from INPC investment are not received.
- 3) Failure to meet your payments obligations on time may negatively affect your credit rating, which will limit your ability to access financing in the future.
