Warning: Customers who avail card facilities from Dubai Islamic Bank PJSC (DIB) must ensure timely payments to settle their outstanding amounts. This is critical to maintain good credit history at AECB (Al Etihad Credit Bureau) so that DIB is able to service customer's future banking needs. If you do not meet the payments on your covered card, your covered card account will go into arrears. This may affect your credit rating, which may limit your ability to avail financing in the future.DIB reserves the right to revise or discontinue the offer at any time without notice to the customer, based on DIB's discretion. However, the bank will not revise or discontinue the offer for customers who have already availed it.
